MACHINERY ATTACHMENTS

DIGGA MANUFACTURE A HEAVY DUTY RANGE OF AUGER EXTENSIONS ENGINEERED FOR STRENGTH AND DURABILITY

EASY FIT DESIGN

Digga auger extensions provide you with an easy fit design solution with no adaptors required, helping you connect and disconnect your augers faster.

REDUCE EXCESS PLAY

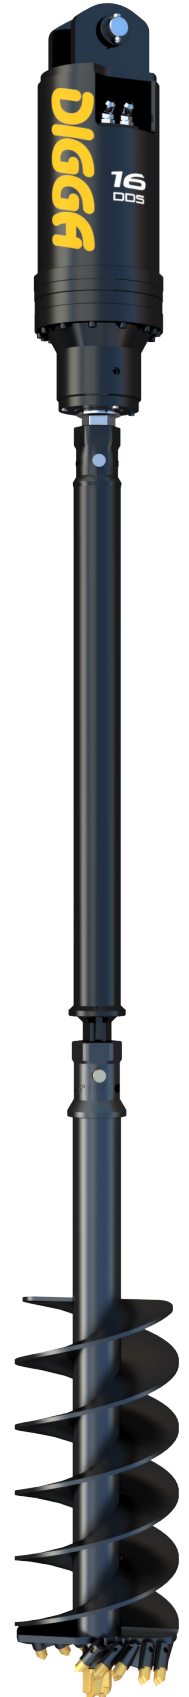

With a welded hub and shaft, our auger extensions reduce excess play in the connections, ensuring you drill a straighter hole.

VARIOUS LENGTHS AVAILABLE

Various length options available including 4ft / 6ft / 8ft / 10ft extensions.

AMERICAN MADE QUALITY

Our quality products are manufactured in-house by Digga in America. We use only the highest grade materials and strictest quality control.
