

EXTENSION MOUNT FOR MINI MACHINES

NEED THAT EXTRA REACH?

Digga's Mini Drilling Extensions effectively increase your reach for added drilling depth. The drilling mount for mini machines lets you use standard size 4in augers and gives you excellent visibility to the hole being dug. American manufactured by Digga, using only the highest grade materials and strictest quality control.

Features

- Increased reach and more drilling depth
- Unique design gives the operator greater visibility, making it easier to use than conventional auger extensions
- Engineered for drives up to 3,200 Ft-lbs
- Let's the operator use standard 4" augers
- American made quality
